EDITORIAL

BAYRAM ŞAHİN

Dear readers and authors,

As SIMA Digital Publishing, we are here with a new journal. In addition to the **International Journal of Maps in Mathematics**, which is currently in publication, our new journal named **CALCULATION** will start its publication life with this issue. **CALCULATION** journal will appeal to a wide range of readers in terms of the scope. Essentially, papers will be published not only in the field of Mathematics, but also in all branches of Basic Sciences, Engineering Sciences and Social Sciences where Mathematics is used intensively.

We aim for **CALCULATION** journal to be a platform for new and qualified results produced in the world of science.

We hope that **CALCULATION** journal will attract the intense interest of readers and authors as soon as possible and find a good place for itself in scientific publishing with the support of authors and readers.
